The Bible

Memorize It! Q1. What is the Bible?
A. The Bible is the only Book that is God's Word to us.

Primary Truth
The Bible is the only book that is God's Word to us. It is better and more important than all other books combined!

WHAT THIS DOCTRINE REVEALS ABOUT GOD
The purpose of this lesson is to help children understand that the Bible is the most special and important book ever written. The apostle Paul wrote in **1 Thessalonians 2:13**, "When you received the word of God which ye heard of us, ye received it not as the word of men, but as it is in truth, the word of God." The Bible is important because it teaches us about God. He wants us to know who He is and what He wants us to do in this world. God has a perfect will for the whole world. We learn about Him and His will in the Bible.

ATTITUDE OBJECTIVE By God's Grace...
• Children will gain a deeper appreciation for simply owning a Bible.
• Children will treat their Bibles with reverence and respect by not leaving them under their beds or in their family's vehicles.

• Why should we treat the Bible better than other books?
• How do you think God feels when we don't treat the Bible very well?

KNOWLEDGE OBJECTIVE By God's Grace...
• Children will begin to comprehend and articulate the vast difference between the Bible and other books.

Q. What is the Bible?
A. The Bible is the only inspired, written Word of God, above all other books in wisdom, power, and authority. **1 Thessalonians 2:13** – "For this cause also thank we God without ceasing, because, when ye received the word of God which ye heard of us, ye received it not as the word of men, but as it is in truth, the word of God, which effectually worketh also in you that believe."

Truth Impact
Millions of books exist all over the world in homes, libraries, schools, and on the internet. But the Bible is different than all those books because it tells us everything God wants us to know about Himself. The Bible is God's Book to us. This TruthBook focuses on the Bible and will help you understand God's message to you. Some people don't believe the Bible is God's Book. Some of those people use other books as their guide for life. Others simply do what they feel like doing, ignoring God's Book.

Did You Know?
Did you know that the Bible is one Book made up of 66 smaller books? Those 66 books were written by 40 or so different writers over a period of about 1,600 years (16 centuries). Some of the people God used to write down His words were kings, while others were ordinary people. One was a well-educated doctor, and another was a poorly-educated fisherman. God used each one of them, no matter their career or education level, to write His perfect Word just the way He wanted it to be written.

Q. How does God carry out His will in the world?
A. Just as God used His word to create the world, He also uses it to carry out His will in the world. **Isaiah 55:11** – "So shall my word be that goeth forth out of my mouth: it shall not return unto me void, but it shall accomplish that which I please, and it shall prosper in the thing whereto I sent it."

Heart Question
Q. What is the greatest theme of the entire Bible?
A. The greatest theme throughout the entire Bible is the Lord Jesus Christ. **Luke 24:26, 27** – "Ought not Christ to have suffered these things, and to enter into his glory? And beginning at Moses and all the prophets, he (Christ) expounded unto them in all the scriptures the things concerning himself."

Bonus Q&A
Q. By what other name is the Bible known?
A. The Bible is also called the "Scriptures." The word "Scriptures" means "holy writings." Some other religions call their books "scriptures" too, but God's inspired word is the only truly "holy writings."
